Important Information:

- Pilgrims who wish to change their plans for any reason and do not want to join the 1st or 2nd day trek from Darchen for the Kailash Parikrama must cover their accommodation and other expenses in Darchen at their own cost.
- If you choose not to go to Dirapuk, you have to return from Yama Dwar after completing the darshan of Mt. Kailash (South Face) and stay for two nights in Darchen and wait for other group members to complete their trek.
- If you are at Dirapuk on the second day of the trek and decide not to continue to Zuthulpuk, you must inform the guide to make arrangements for your return to Darchen for the night at your own cost.
- All additional expenses, including accommodation and meals in Darchen, will be the responsibility of the traveler(s) changing their schedule.
- If any traveller experiences problems such as altitude sickness during the Kailash journey after crossing the Tibet border from Nepal and needs to return to Nepal or their home country, all related costs must be borne by the traveller themselves. Hence, a High-Altitude Insurance is recommended.
- Above rates are valid for 2026 Yatra and any increase in USD will be applicable if the rates drastically go up. Also, if the visa has to be issued on an urgent basis, the cost would be extra, since all package cost is based on normal days visa processing.

Additional Recommendations:

- Travel Insurance: We strongly recommend that all Yatris obtain comprehensive travel insurance that covers trip cancellations, medical emergencies and evacuations. This ensures protection against unforeseen events that may lead to trip alterations or cancellations.
- Unforeseen Circumstances : Please be aware that certain situations, such as natural disasters, political unrest, or other events beyond our control, may necessitate changes to the scheduled itinerary. In such cases, we reserve the right to modify or cancel the yatra. We will inform you promptly of any such changes and discuss available options.
- High-Altitude Medical Insurance: Since the trip that we offer is adventure-based, we advise all travellers to take medical insurance to protect against any unforeseen circumstances. The insurance should cover adequate coverage for baggage, medical expenses, cancellation, helicopter evacuation, and emergency repatriation.
